From billing forms & door hangers to work & safety apparel, Centro has over 45 years experience serving the unique needs of utility agencies throughout the United States.

WE KNOW that many companies can provide what you need to operate. Our clients expect and demand more in today's fast changing environment. They want a business partner who will help them succeed.

They want a partner that helps them **simplify ordering, reduce costs, and increase productivity**. Centro has achieved these standards for more than 45 years.

"What makes Centro Print Solutions the company to use for all your office supplies and printing needs? Customer service! I highly recommend Centro Print Solutions!"

— A community service district

"Our utility has been utilizing the services of Centro for over 15 years. Centro has been right there for us helping to find solutions to meet our changing needs. We have been pleased with the service, selection, and cost of the products we use. Thank you for making our jobs easier."

— A municipal utility district

"I would like to thank you for all the years of excellent products, service, response, and communications. You always respond very quickly. The products we receive are always high quality and exactly what we needed. We hope to continue working with you for many years to come."

— A water district
